

An Apple A Day The Farm Bureau Way

*2011 SC Farm Bureau
Women's Leadership Conference*

Join us in the beautiful Piedmont District for the Annual

SC Farm Bureau Women's Leadership Conference

October 4 & 5, 2011

The Conference Center and Inn at Clemson University

The SCFB Women's Leadership Committee invites you to join them at South Carolina's own agricultural institution, Clemson University, for a special conference. You will be able to take home new information from the American Farm Bureau Foundation for Agriculture while sharing ideas and successful projects with other Farm Bureau Women from around our state.

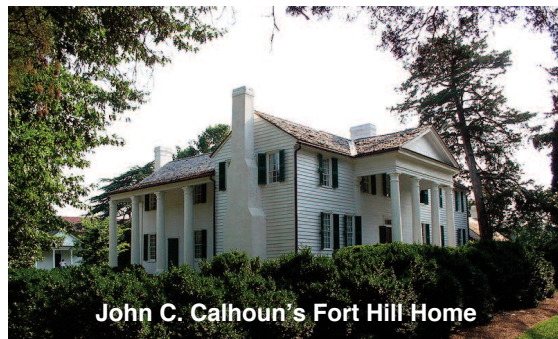

**Eliz
Greene**

You will not want to miss award winning speaker Eliz Greene's story of how her life changed in the span of a few hours. She survived a ten-minute cardiac arrest, the Cesarean delivery of her twin daughters, and open-heart

surgery at the age of 35. Eliz motivates others to make simple, yet meaningful, changes in their own lives.

The optional tour on Wednesday begins in Pickens County with a visit to the Fort Hill home of South Carolina statesmen, John C. Calhoun. From there, we will depart for Oconee County where tentative plans include a visit with a kudzu farmer and artisan. The tour will conclude with a luncheon at the breathtaking Chattooga Belle Farms which sits in the shadows of the majestic Blue Ridge Mountains.
