Essay (must be attached to the application, typed on white computer paper, 12pt. Times New Roman, double spaced, no more than two pages, and must answer the question.)

The 21st century agricultural economy is threatened by labor shortages. Without a clear solution for assessing foreign guest workers as a component of immigration reform coming from Congress, what are some creative and legal ways for agriculture to address the labor needs of a modern production system?

Dear School Counselors and Teachers:

Please give these applications to current seniors who will be graduating in June 2020. If you have any questions please call Megan Floyd (843)385-6883 or Robin Quinn (843)365-8580.
