CONSENT FOR MEDICAL TREATMENT/PARENTAL PERMIT/RELEASE OF MEDICAL INFORMATION

The law requires that parental permission be obtained for operative procedures on minors. The following consent form should be signed by the parents so that such procedures may be promptly carried out, and so that no unnecessary delays will occur with operative procedures. However, no operations will be performed, except emergency, without parents being contacted and fully informed. I give permission for such diagnostic, therapeutic, and operative procedures as may be deemed necessary for my son/daughter. I authorize release of any medical information to process insurance claims and request payment of benefits to the physicians or supplier for services described. I understand that should the insurance not cover this illness/injury, I will be responsible for payments in full of any charges incurred.
